

Garden Life

Garden Life con más de 25 años de experiencia, combina la inyección de plásticos con los nuevos procesos productivos para la optimización de costes, además está a la vanguardia de materiales de nueva generación, materiales ecológicos, biopolímeros, desarrollo de nuevos colores y nuevos diseños. La política de nuestra empresa está orientada a la satisfacción de las necesidades de nuestros clientes, por lo que la calidad y el servicio son nuestras principales señas de identidad. Nuestras instalaciones y equipos han sido diseñados de tal manera que posibiliten los más altos niveles de productividad y calidad. Para alcanzar estos niveles de eficiencia, nuestro personal es formado en las más modernas técnicas de producción. Estamos trabajando bajo las normativas más exigentes tanto de calidad, producción como medioambiente.

Comenzamos una nueva etapa, y os invitamos a participar en ella, GARDEN LIFE

Garden Life with more than 25 years of experience, combines the plastic injection with new production processes for the optimization of costs, it is also at the vanguard of new generation materials, organic materials, biopolymers, development of new colors and new designs. The procedure of our company is leaning to the satisfaction of the requests of our clients, so that quality and service are our main personal identity. Our factory and equipment have been designed in such a way that they could reach to higher levels of productivity and quality. To achieve these levels of competence, our staff is trained in the most modern techniques of production. We are working under the most demanding standards of quality, like production and environment.

We begin a new period and we invite you to participate in it. GARDEN LIFE
